SHARE YOUR GRIEF, SOOTHE YOUR SORROW

Grieving the death of a loved one is never easy, but support from others and sharing your loss can lessen the burden. To help you, Community Hospice of Northeast Florida conducts therapeutic support groups throughout the year.

Community Hospice support groups create a safe and comfortable environment where you can bond with others who are grieving. Led by our bereavement professionals, a variety of groups are offered which cover common grief reactions, coping strategies and ways to stay connected to your loved ones.

All bereavement services are free of charge and are provided to anyone in the community for up to 13 months after the death.
