Your Compassionate Guide™

WHAT CAN A VOLUNTEER DO FOR YOU TODAY?

HOW COMMUNITY HOSPICE & PALLIATIVE CARE VOLUNTEERS HELP PATIENTS AND FAMILIES

- As a sensitive listener who will share a good conversation.
- As a warm and engaging resource to hold your hand, and give your full-time caregiver a break.
- As a music fan, who will sing or play your long-time favorite tunes.
- As a helpful letter writer or an entertaining book reader.
- As help to run an errand or bring you a tasty take-out treat.
- As a capable wheelchair pusher to take you for a relaxing garden stroll.
- As a kind pet therapy visitor, complete with a certified furry, four-legged pal.
- As a reassuring person to pray with and comfort you and your loved ones.
- As a veteran to reminisce on past experiences with another veteran.
- As a friend who will be your Compassionate GuideSM during this difficult time.

Talk with a member of your care team if you would like to request a volunteer to assist with your care needs.
